2019 COMMITTEE VOLUNTEER FORM

I wish to be considered to serve on one or more of the Palma Trace Villas HOA committees below (please check the appropriate box(es)):

- Architectural Control Committee: (minimum 3 members) Board ensures certain standards of homeowner building, improvements and landscaping are met within the community.
- Landscape Committee (Villa Area): Committee works with landscape Maintenance Company to ensure common area landscaping is being maintained properly; makes recommendations to the BOD on beautification and reviews bids for landscape maintenance companies as needed.
- Pest Control Committee: Committee works with Pest Control Company related to quarterly treatments.
- Building and Grounds Committee: Committee inspects the villa property looking for maintenance issues consistent with current standards and policies.
- Communications Committee: Committee will assist in frequently asked questions about life in Palma Sola Trace and community requirements will be compiled and distributed through this channel. Will work on current issues or concerns with Villa Owners.
- Fining Committee: Committee receives information and fine from the board of directors, provides the violator the opportunity to explain why the fine should not be imposed.

Name: _____

Address: _____
